PEONIES AND IRIS

1927

L. C. GLENN

*2111 Garland Avenue
NASHVILLE, TENN.*

For ten years or more I have collected and grown peonies and iris as a hobby and a diversion from my regular work, which is the teaching of geology in Vanderbilt University.

The collection has grown to such size that the surplus must be disposed of, and hence the following list. The absence of fixed overhead charges has made reasonable prices possible.

Quotations are for three to five eye peony plants and for single rhizomes of iris. The iris may be dug at any time desired, except while blooming. Peonies will be dug after September 15th.

Terms are cash with order. Shipment will be by express, collect, unless otherwise specified. If shipment is desired by parcel post, please add five cents for each iris or ten cents for each peony ordered.

No substitutions will be made unless requested. A second choice may be indicated if desired; otherwise your money will be returned. Orders will be filled as long as stock lasts in the order of receipt. Any error will be corrected. No orders for shipment by mail or express accepted for less than \$2.00.

A collection of 100 mixed iris without names for \$5.00.

Ten named peonies of my selection, all different, for \$5.00.
